

CPP FOOD EXPLORE

A website by MDC for students to
explore food near campus and
create a schedule.

TABLE OF CONTENTS

01

ABOUT US

Chau, Denise, Mandy,
and Melody

02

PROBLEM WE TRY TO FIX

Skip breakfast because of tight schedule in the morning? Use our calculator, and you will know what time to go to bed.

03

CHALLENGES

Not familiar
with “git”, HTML
& CSS, backend

04

TOOLS/RESOURCES

GitHub, VSCode,
HTML, CSS,
JavaScript, Google
Slides

Home page

Search for restaurants based on:

- What food do I crave?
- How far is the restaurant?
- What are the average prices?
- What time should I go to bed and get my meal?

Recipes page

- Look for easy to make recipes
- Nine healthy recipes
- Breakfast, lunch, and dinner
- Detailed ingredients
- Step by step instructions

Q & A
